

How to choose the size of Vestita clothes?

By the design of Vestita garment, you create your styles that fits your body shape. The size is based on the width of the shoulders.

To ensure accuracy, make sure to measure the width from a garment placed flat as shown in the image. Choose the size that corresponds to the width between the shoulders.

	X Small	Small	Medium	Large	X Large	XX Large
CM	33	35.5	38	40.5	43	45.5
inches	13	14	15	16	17	18
